(EXC-FEB. 9) PHOTO SHOWS O'DONNELL PRESENT AT LBJ OATH-TAKING - The Boston Globe released this photo today with copyright story pointing out that Kenneth P. O'Donnell (right) was present by side of Jacqueline Kennedy when Johnson took oath as President aboard plane in Dallas Nov. 22, 1963. Latest installment of "Death of A President" by William Manchester has O'Donnell a top Kennedy aide "pacing the corridor...hands clapped over ears as though to block the oath." Picture was made by Cecil W. Stoughton official White House photographer. It was not used at time because Stoughton had camera trouble and photo was not sharp. Picture Stoughton used made seconds later cropped O'Donnell out. (AP WIREPHOTO) (dec6135Cgle) 1967
